May 5, 2020:

**Oakwood Sports Center is CLOSED due to COVID-19**

As per the Governor's orders, the Oakwood Sports Center remains closed. Unfortunately, this decision is in effect until further update by the State of Connecticut. To be prepared, we have begun formulating a preliminary plan to progressively re-open. Once timelines are more pronounced by the State, we can roll-out dates and the steps that will make this possible.

**What's Next for Oakwood Indoor? Here is what we are thinking:**

The aim regarding **Adult league session IV** is to complete the remaining 6 of 8 matches. We are considering playing all games outdoors, 7 v 7, at Oakwood Soccer Park, Portland. Game nights with hourly kickoffs would be on your regularly scheduled night. Specific details will be emailed to all Team Reps once we have a clear timetable.

For the **Youth league Session II**, with most teams having only 2 of 8 games remaining, we plan to offer each team an opportunity for an outdoor "Play Day" of 2-3 matches to be scheduled hopefully later this summer at Oakwood Soccer Park, Portland. Details will be emailed to all Team Reps once timelines become obvious.

As for the **Indoor Clinics Session IV**, with most sessions having only 2 of 6 classes remaining, we will offer \$50 credits for any of our summer day camps (starting June 2020) or future indoor clinics that will commence in November 2020. Direct email correspondence explaining all options will be sent out once the new camp schedule is announced.

All **Summer Day Camps** will take place at Oakwood Soccer Park. A revised schedule of 3-hour day sessions (9-12pm & 1-4pm) is being prepared for release very soon.

The **Wesleyan campus** is closed until further notice and will not be available for our one-week residential camp. Registered campers for Wesleyan will be getting updated very soon with a same week, Day Camp alternative being offered this year.

**Indoor field rentals** will be jointly re-scheduled for future usage and communicated via email correspondence.

We are excited to be able to get back playing and with aim to provide the safest experience possible. More information will be forthcoming once protocols are formulated. We will update the website, [oakwoodsoccer.com](http://oakwoodsoccer.com) with vital information to be shared with all team members.

Thank you for your patience during this uncertain time and as always please stay safe and healthy!

Sincerely,  
Rick Derella  
Oakwood
